This announcement is made by Solartech International Holdings Limited (the “Company”, together with the subsidiaries, the “Group”) pursuant to Rule 13.09(1) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”).

The board of directors (the “Board”) of the Company wishes to inform the Shareholders of the Company (the “Shareholders”) and potential investors that the Group is expected to record a significant loss for the six months ended 31 December 2008. Based on the information currently available, the Board considers that the loss was primarily attributable to (i) the consequence of the global economic downturn which led to a decline of the overall turnover of the Group; (ii) the diminution in value of the inventories of the Group and the substantial decrease in copper prices since August 2008 which affected the selling prices of the Group’s products, resulting in a decrease in gross margin; and (iii) share of losses of the Group’s associate which is principally engaged in copper products and mining. The Board will continue to review the Group’s operations and strategies to meet the challenges ahead.
