This announcement is made by Solartech International Holdings Limited 星凱控股有限公司* (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the “**SFO**”).

* For identification purposes only

The board of Directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company and potential investors that based on the preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 31 December 2019 (the “**Relevant Period**”), it is expected to record an increase in the loss attributable to the owners of the Company for the Relevant Period by about 13% as compared to the loss attributable to the owners of the Company for the six months ended 31 December 2018 (the “**Corresponding Period**”). Based on the relevant information currently available to the Company, the Board considers that despite decrease in general and administrative expenses and decrease in the net loss from the change in fair value and loss on disposal of financial assets at fair value through profit or loss, the increase in the loss was mainly due to (1) increase in finance costs; (2) increase in deferred taxation; and (3) net loss for the fair values of the Group’s investment properties for the Relevant Period as compared to net gain for the fair values of the Group’s investment properties recorded in the Corresponding Period.

As the Company is still in the course of preparing its interim results for the six months ended 31 December 2019, the information contained in this announcement is only a preliminary assessment by the Board based on the information currently available and the unaudited consolidated management accounts of the Group, which have not been reviewed, confirmed nor audited by the Company’s independent auditors. The overall financial results of the Group for the six months ended 31 December 2019 will only be ascertained when all the relevant results and corresponding treatments are finalised.
