This announcement is made by Solartech International Holdings Limited 星凱控股有限公司* (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the “**SFO**”).

* For identification purposes only

The board of Directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company and potential investors that based on the preliminary review of the unaudited consolidated management accounts of the Group for the year ended 30 June 2023 (the “**Relevant Period**”), it is expected to record the loss attributable to the owners of the Company for the year ended 30 June 2023 within the range of HK\$175 million to HK\$180 million as compared to the loss attributable to the owners of the Company of approximately HK\$102,218,000 for the year ended 30 June 2022 (“**Corresponding Period**”). Based on the relevant information currently available to the Company, the Board considers that despite the deferred tax credit for the Relevant Period (as compared to the deferred tax expenses recorded for the Corresponding Period), the expected increase in the loss attributable to the owners of the Company was mainly due to (1) the decrease in gross profit as a result of the decreases in the turnover and gross profit margin; (2) the increase in the impairment loss on mining right recognised for the Relevant Period as compared to the impairment loss for the Corresponding Period; and (3) the reversal of deferred tax assets recognised for the Relevant Period as compared to the deferred tax assets recognised for the Corresponding Period.

As the Company is still in the course of preparing its audited final results for the year ended 30 June 2023, the information contained in this announcement is only a preliminary assessment by the Board based on the information currently available and the unaudited consolidated management accounts of the Group, which have not been reviewed, confirmed nor audited by the Company’s independent auditor. The overall financial results of the Group for the year ended 30 June 2023 will only be ascertained when all the relevant results and corresponding treatments are finalised. The audited final results of the Group for the year ended 30 June 2023 will be announced by the Company on 28 September 2023. Shareholders of the Company and potential investors are advised to read the audited final results announcement of the Company when it is published.

Shareholders of the Company and potential investors are advised to exercise caution in dealing in the shares of the Company.
