LETTER FROM THE BOARD

THE PLACING AGREEMENT

Date

16 September 2010 (after trading hours)

Issuer

The Company

Placing Agent

The Placing Agent has conditionally agreed to place up to 7,200,000,000 Placing Shares, on a best effort basis, to the Placees and will receive a placing commission of 2.5% on the gross proceeds of the actual number of Placing Shares being placed. Such placing commission was arrived at after arm's length negotiations between the Company and the Placing Agent under normal commercial terms and with reference to the prevailing market rate. The Placing Agent is interested in 420 shares as at the Latest Practicable Date.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, save for the fact that the Placing Agent holds 420 Shares as at the Latest Practicable Date, the Placing Agent and its ultimate beneficial owners are third parties independent of and not connected with the Company and its connected persons (as defined in the Listing Rules).

Placees

The Placing Shares will be placed to not less than six Placees, who and whose ultimate beneficial owners are third parties independent of and not connected with the Company and its connected persons (as defined in the Listing Rules). None of the individual Placee will become a substantial Shareholder (as defined in the Listing Rules) immediately after completion of the Placing.

Number of Placing Shares

A maximum number of 7,200,000,000 Placing Shares will be placed by the Placing Agent to the Placees on a best effort basis, representing approximately 39.94% of the existing issued share capital of the Company of 18,025,660,362 Shares as at the Latest Practicable Date and approximately 28.54% of the then issued share capital of 25,225,660,362 Shares as enlarged by the Placing. The aggregate nominal value of the Placing Shares under the Placing will be HK\$72,000,000.

Ranking of Placing Shares

The Placing Shares will rank, upon issue, pari passu in all respects with the Shares in issue on the date of allotment and issue of the Placing Shares.

LETTER FROM THE BOARD

Placing Price

The Placing Price of HK\$0.02 represents:

- (i) a discount of approximately 33.33% to the closing price of 0.030 per share as quoted on the Stock Exchange on the Latest Practicable Date;
- (ii) a discount of approximately 33.33% to the closing price of HK\$0.030 per Share as quoted on the Stock Exchange on the date of the Announcement;
- (iii) a discount of approximately 16.67% over the average closing price of approximately HK\$0.024 per Share in the last five consecutive trading days prior to the date of the Announcement; and
- (iv) a discount of approximately 13.04% over the average closing price of approximately HK\$0.023 per Share in the last ten consecutive trading days prior to the date of the Announcement.

The Placing Price was determined with reference to the prevailing market price of the Share and was negotiated on an arm's length basis between the Company and the Placing Agent. The Directors consider that the terms of the Placing are fair and reasonable based on the current market conditions and in the interests of the Company and the Shareholders as a whole.

Conditions of the Placing

Completion of the Placing is conditional upon:

- (i) the Listing Committee of the Stock Exchange granting or agreeing to grant the listing of, and permission to deal in, the Placing Shares under the Placing;
- (ii) the passing of a necessary resolution by the shareholders of the Company to approve the allotment, issue and dealing with Placing Shares at the SGM;
- (iii) the obligations of the Placing Agent under the Placing Agreement not being terminated in accordance with the terms of the Placing Agreement, including provisions regarding force majeure event; and
- (iv) If necessary, the Bermuda Monetary Authority granting consent to the allotment and issue of the Placing Shares under the Placing.

If any of the above conditions are not fulfilled prior to 10:00 a.m. on the date falling on three months after the date of SGM or such later time or date as may be agreed between the Placing Agent and the Company, the Placing Agreement shall terminate and subject to terms of the Placing Agreement, neither party shall have any claim against the other for any costs or losses (save for any antecedent breaches of the Placing Agreement).

Mandate to issue the Placing Shares

The Placing Shares to be issued under the Placing Agreement will be issued pursuant to a specific mandate to be obtained at the SGM.

LETTER FROM THE BOARD

Termination and force majeure

- (i) Unless otherwise agreed among the Parties, the Placing Agent's appointment shall terminate upon the earlier of (a) completion of the Placing and (b) termination of the Placing by the Placing Agent in accordance with the terms and conditions of the Placing Agreement, whereby the Company will be formally notified by the Placing Agent in writing in accordance with the terms of the Placing Agreement.
- (ii) The Placing Agent reserves its right to terminate the Placing Agreement by notice in writing prior to 10:00 a.m. on the date of completion of the Placing, if in the absolute opinion of the Placing Agent, the success of the Placing would be materially and adversely affected by any force majeure events (as defined below).

For this purpose, a "force majeure event" refers to

- (a) the introduction of any new laws or regulations or any change in existing laws or regulations (or the judicial interpretation thereof) or other occurrence of any nature whatsoever which may, in the absolute opinion of the Placing Agent, materially and adversely affect the business or the financial or trading position or prospects of the Group as a whole; or
- (b) the occurrence of any local, national or international event or change (whether or not forming part of a series of events or changes occurring or continuing before and/or after the date of the Placing Agreement) of a political, military, financial, economic, currency (including a change in the system under which the value of the Hong Kong currency is linked to the currency of the United States of America) or other nature (whether or not sui generis with any of the foregoing), or in the nature of any local, national, international outbreak or escalation of hostilities or armed conflict, or affecting local securities market or the occurrence of any combination of circumstances which may, in the absolute opinion of the Placing Agent, materially and adversely affect the business or the financial or trading position or prospects of the Group as a whole or adversely prejudices the success of the Placing of the Shares by potential investor(s) or otherwise makes it inexpedient or inadvisable for the Company or the Placing Agent to proceed with the Placing; or
- (c) any change in market conditions or combination of circumstances in Hong Kong (including without limitation suspension or material restriction on trading in securities) occurs which affect the success of the Placing (such success being the placing of the Shares to potential investor(s)) or otherwise in the absolute opinion of the Placing Agent make it inexpedient or inadvisable or inappropriate for the Company or the Placing Agent to proceed with the Placing.

LETTER FROM THE BOARD

- (iii) If, at or prior to 10:00 a.m. on the date of completion of the placing;
- (a) the Company commits any material breach of or omits to observe any of the obligations or undertakings expressed or assumed under the Placing Agreement; or
 - (b) the trading of the Shares on the Stock Exchange has been suspended for more than ten consecutive trading days save for the purposes of clearing of the announcement relating to the Placing Agreement or any announcements or circulars relating to the Placing; or
 - (c) the Placing Agent shall become aware of the fact that any of the representations or warranties contained in the Placing Agreement was, when given, untrue or inaccurate or would in any respect be untrue or inaccurate if repeated the Placing Agent shall determine that any such untrue representation or warranty represents or is likely to represent a material adverse change in the financial or trading position or prospects of the Group taken as a whole or will otherwise likely to have a material prejudicial effect on the Placing.

The Placing Agent shall be entitled (but not bound) by notice in writing to the Company to elect to treat such matter or event as releasing and discharging the Placing Agent from its obligations under the Placing Agreement.

Upon giving of notice pursuant to the paragraph above, all obligations of the Placing Agent hereunder shall cease and determine and no party shall have any claim against any other parties in respect of any matter or thing arising out of or in connection with the Placing Agreement, save for any antecedent breaches.

The Directors are not aware of the occurrence of any of such events as at the Latest Practicable Date.

Completion of the Placing

Completion of the Placing will take place within four business days after the fulfillment of the conditions set out in the Placing Agreement but not later than the date falling on three months after the date of SGM or such later date as may be agreed between the Company and the Placing Agent.

The Placing is conditional upon the fulfillment of the conditions and is subject to the termination on the occurrence of, among other things, any event of force majeure as listed above.

The Placing may or may not proceed. Shareholders and potential investors are advised to exercise caution when dealing in the Shares.

LETTER FROM THE BOARD

REASONS FOR THE PLACING AND USE OF PROCEEDS

The maximum gross proceeds from the Placing will be approximately HK\$144 million. The maximum net proceeds from the Placing will amount to approximately HK\$140 million of which approximately HK\$75 million (approximately US\$2.6 million to be incurred in the second half year of 2010 and US\$7 million for the first half year of 2011) is intended to be utilised as initial set-up costs for Phase 1 for establishment of a copper processing plant at 1st Zone of the Mine in Mongolia, details as disclosed in the Company's circular dated 9 April 2010, approximately HK\$13 million is intended to be used for the repayment of short term loans and the remainder of approximately HK\$52 million is intended to be used for the general working capital of the Group. The Group has approximately HK\$140 million short term loans and approximately HK\$70 million is due at the end of 2010. The net proceeds raised per Share upon the completion of the Placing will be approximately HK\$0.019 per Share.

The Directors consider that the Placing represents an opportunity to raise capital for the Company while broadening the Shareholder base and capital base of the Company. Taking into account that (i) the dilution effect of the issue of the Placing Shares will have a proportionate impact on all the existing Shareholders; (ii) the possible enhancement of the profile of the Shareholders given that the Placees will be professional, institutional or other investors or any of their respective subsidiaries or associates; and (iii) the long-term benefits that may be generated from the investments to be made with the proceeds from the Placing which in turn will increase the value of the Shares, the Directors are of the view that the Placing is in the interest of the Company and the Shareholders as a whole.

The Board has also considered alternative fund raising methods, such as bank borrowings, rights issue or open offer. However, after holding preliminary discussion with the Placing Agent, the Directors found that under the prevailing market conditions, it would be difficult to secure an underwriter to commit to a possible rights issue or open offer. In this respect, the Placing is a preferable method of fund raising as it is on a best effort basis. In view of the aforesaid and the relatively long timetable for rights issue and open offer, the Board has decided not to proceed with fund raising exercises of such nature. Further, under the prevailing market conditions, it is prudent to finance the Group's long-term growth by long-term funding, preferably in the form of equity which will not increase the Group's finance costs. Given that the net proceeds from the Placing would enhance the Company's capital base and would not incur any interest expense burden to the Group as compared with debt financing, the Directors consider that the Placing is a preferred means of fund raising for the Group.

The Company acknowledges that its share price is trading below HK\$0.1 per share. The Company may propose a share consolidation in due course but as at the Latest Practicable Date, the Company has no concrete timetable for such exercise.
